

PROGRESS REPORT AND BREAK DOWN OF EXPENDITURE NEEDED TO COMPLETE THE TWIN CLASSROOM BUILDING

September 2018

Roofing the front phase

Roofing the back phase

Laying iron sheets on the front phase

Laying Iron sheets on the back phase

Purchase of sand for partial plaster

Work on the inside of the Twin classroom

Current state of the inside

Current state of the front phase

SUMMARY

The building can host pupils for learning purposes as well as briefing meetings. But for the building to function fully as Classrooms/Meeting hall/Conference hall, the remaining works need to be done.
